

AGM 2023 NOTICE

GROUP	Ontario Tech Student Union (OTSU) General Members
LOCATION	Ontario Tech University, UA 1350
DATE & TIME	November 30, 2023, 5:30 p.m.

Dear Ontario Tech students,

On behalf of the OTSU, we would like to personally invite you to our Annual General Meeting (AGM) happening on November 30 at 5:30 p.m. in UA 1350. [Register to attend here](#). If you want to raise an agenda item at the AGM, you can fill out [this proposal form](#).

Our AGM is the most important opportunity you have in shaping the future of your student experience – it is how you can directly impact the direction of the student union, have your voice heard by student leaders, and steer the future of the OTSU by raising concerns and voting on proposals.

What is an AGM?

- The Ontario Tech Student Union’s AGM is a yearly gathering between the OTSU’s Board, Executives, and stakeholders (that’s you), so that we can inform students of what we’ve been doing and what our priorities are, disclose finances, and, most importantly, hear from students.
- The AGM is typically where students bring forward concerns regarding governance and policy changes, advocacy issues, or service amendments.

What will be discussed at the 2022 AGM?

The OTSU will address the following items at this year’s AGM:

- Joining the Ontario Undergraduate Student Association (OUSA)
- Clubs and Societies Policies and Procedure Amendments
- Downtown Campus Service Offerings

If you have any questions or concerns please feel free to contact us at marycaejulliene.serote@ontariotechu.net or president.otsu@ontariotechu.ca.

We look forward to seeing you there!

Signed,

MaryCae Serote
OTSU Board Chair

Samantha Brown
OTSU President
