

# Business and Information Technology Board Director Candidates

**Craigton Corda** 

Business & Information Technology  
Board Director Candidate

## Candidate Platform

Hi OTU, I'm Craigton Corda, a proud third-year Tech Management student. I believe business and technology work hand in hand to connect our world-and there's no better place to put that belief into action than on the Board of Directors. Right now, our Student Union needs bold leadership, real advocacy, and full transparency. It's time to ask tough questions, challenge the status quo, and ensure every decision benefits you, the student body. As your representative, I'll push for smarter operations-not just to cut inefficiencies but to unlock resources for clubs, student initiatives, and ideas that matter. This isn't just about management-it's about empowering students and making real change. Let's build a Student Union that works for us all!

Business & Information Technology  
Board Director Candidate

## Candidate Platform

As a third-year Networking and IT Security student, I am excited to run for the Board of Directors, representing the Faculty of Business and IT. I have served as VP of IT for BITSoc and VP of Tech Management for TMSA, alongside mentoring students as a Peer Mentor. If elected, I will advocate for student needs, enhance faculty engagement, and create more networking and career opportunities. My goal is to ensure every student has the support and resources to thrive.
